Hey Debbie.

quick question - Arcadis just got the CHASP they mailed to Joe Nardone returned to them. The tracking shows "Customer not available or business closed". Do you think I should do anything further to follow up with him on this?

Please let me know.

Thanks,
Elizabeth

Subject: navigational study

Hi

I am trying to access the ourpassaic.org digital library and having difficulty – would either of you please be able to forward the ACOE navigation study for the Passaic River?

Thanks, Debbie
